

Foldia® - 2-Sided. 5 : 1 Folding Ratio

The Foldia® Maximizes both the transport cubic efficiency and is the ultimate space saving Roll Cage for buffering and return logistics.

4 Foldia® roll containers can be stacked inside one single unit. This makes it the most space-efficient roll cage of our portfolio.

Because Foldia® is compatible with demountable or other folding roll containers, your existing fleet can be upgraded step by step.
